Note to candidates:

- These regulations are designed to (a) facilitate the proper conduct of examinations (b) provide for a well-ordered and calm environment in which candidates can complete their examinations and (c) ensure that no candidate can gain unfair advantage over their peers.
- Please note the specific references to programme/module levels i.e. Level 7, 8 or 9.
- The document comprises the following sections:
 1. Registering for examinations.
 2. Examination timetable.
 3. Special case candidates.
 4. Admission to the Examination Room.
 5. Conduct during the Examination.

1. Registering for Examinations

a) Registering for examinations: To be automatically registered for examinations each candidate must:

- be properly registered.
- have no outstanding fees or debts of any kind due to the Institute of Banking (IoB).

b) Resit/repeat Candidates

Candidates will be registered for the resits on receipt of the completed appropriate form and relevant fee by the date specified for re-registration. It is the responsibility of every candidate to ensure that they are registered for relevant assessments, including, where necessary, resit/repeat examinations by the specified deadline date. IoB does not accept any responsibility for any communications sent or received through the postal system.

¹ As a Recognised College of UCD, IoB Examination Regulations mirror closely those of UCD

2. Examination Timetable

- a) The Examination timetable for each academic year (September to August) is published in the IoB prospectus and on the IoB website. It is the responsibility of each candidate when registering to programmes to ensure that for each module selected, the examination dates do not clash - check the exam timetable. Should examination dates clash, the candidate must re-register for the module exam of their choice at the next available sitting, paying the appropriate re-registration fee.
- b) Approximately, three weeks before the scheduled examination date, an **Examination Attendance Notice** is posted to each candidate's *My Institute* account on the IoB website. An SMS message and email are sent to each candidate informing them that an important communication has been posted to their on-line communication folder in *My Institute*. Please note that an *Examination Attendance Notice* is not communicated by post. It is the candidates' responsibility to ensure that they are aware of the date, time and location of their examinations. Candidates must print their **Examination Attendance Notice** and bring it to the specified examination venue to gain admission. Please ensure that there is NO writing on the examination attendance notice.
- c) All Examination venues are offered subject to adequate demand. If there is insufficient demand for a venue (outside the Dublin area) selected by a candidate, s/he will be automatically re-assigned to the nearest available venue.
- d) Candidates have one week after their **Examination Attendance Notice** is issued to request a change in venue. A request for an exam venue change must be made by email to IoB Registry. Late examination venue change requests will not be entertained.
